

VAN DER MEER TENNIS

Heritage Week 2017

QuickStart Tennis and Day Camp

April 10th - April 14th | Monday-Friday

Under the guidance of Coach Sally, VDM's QuickStart Coordinator, the QuickStart Tennis and Day Camp is an exciting way for your young camper to spend the day with the Van Der Meer staff.

Held at the Van Der Meer Tennis Center, the camp will focus your child on developing his/her tennis skills using the World Class QuickStart Tennis format which is a customized tennis program for kids ages 4–12 years old that brings the game of tennis to their level so they can progress more efficiently. By using size-appropriate equipment and courts, the game of tennis becomes more accessible and fun for them, and allows kids to get right into the action from the start. Introducing your children to World Class QuickStart Tennis at a young age will allow them to gain confidence by seeing immediate progress, making them more excited about continuing to play.
