

# VAN DER MEER TENNIS

## Van Der Meer Shipyard Doubles Adult Tournament @ the VDM Shipyard Racquet Club

A one day **Tournament**, Saturday December 12th, just to fill that tennis need before Christmas break! Although in registration it says singles, this allows for players without a partner to sign up and get matched with a partner. The format is the best of three sets with a 10 point match tie break for the third set, no ad scoring and a back draw to guarantee 2 matches.

Players can play two events, but note that if you make the finals of one event, you'll have 3 matches in that division and then there is the other division. Draws fill up at 8 teams so sign up early. Players will self rate but if we have a smaller draws, the draws might be combined, however, we will let players know in advance if that will happen.

Also, the fee is \$35 for UTR Power members or \$45 for non UTR Power members (which most people are not Power members, registering for UTR does not make you a Power member). To sign up for a second draw like mixed, the fee is \$10 at the tournament, just email [Jim@vdmtennis.com](mailto:Jim@vdmtennis.com) and I'll add you. This is an adult tournament for players 25 and over. Registration date is by Wednesday, December 9th, so sign up early! To register, you need to sign up for a UTR account, and it's free! The link is <https://app.myutr.com>.

Covid protocols will be in place and a description will be sent to all participants the day before the event.

| Women NTRP (singles) | Men NTRP (singles) | Approximate UTR Range for competitive match |
|----------------------|--------------------|---|
| 2.5                  | 2.0                | 4-4.5                                       |
| 3.0                  | 2.5                | 5-6   |
| 3.5                  | 3.0                | 6-7   |
| 4.0                  | 3.5                | 7-8   |
| 4.5                  | 4.0                | 8-9   |
| 5.0                  | 4.5                | 9-10.5                                      |
| 6.0                  | 5.0                | 10-12                                       |
|                      | 5.5                | 11-13                                       |
|                      | 6.0                | 12-14                                       |
