Powered by **ORACLE**[®]

UTR is a global rating system that promotes fair and competitive play across the tennis world. All players, regardless of age, gender, geography or skill level, are rated on a same scale between 1.00 and 16.50 based on actual match results. UTR match results can come from recreational matches, junior tournaments, high school matches, college matches/tournaments and pro tournaments, which allows the UTR rating to be highly accurate to a person's playing level.

At Van Der Meer Tennis Academy, we believe that match play is essential for a player's success on their tennis journey. We are pleased to announce that several matches that take place during the afternoon sessions of our spring clinics can now count towards a players' verified UTR if they choose to join this program. For this to happen, all players must have a UTR account set up, and sign up for the match play week that they will be attending the clinic. This is done directly through the UTR website. The UTR match play will take place during our summer clinics from June 2 - Aug 6.

If you wish to join this UTR program at Van Der Meer, there will be an additional fee of \$16 if you are a UTR Power Subscriber. **Sign up is done directly through the UTR website, and not via the VDM Camp sign up.** ****PLEASE NOTE** that the fee is **\$30.75** if you are not a UTR Power Subscriber. Players must be enrolled in the Van Der Meer Tennis Junior Clinic afternoon session in order to participate. The deadline to sign up will be by 1 PM each Monday.

Once players are entered into the UTR match play on the UTR website, players will be matched according to similar UTR levels. If a player does not have a UTR, the Van Der Meer Academy staff will do their best to place them with similar level players. Our goal is to provide each player with at least two verified UTR matches.

More information regarding UTR and how it works can be found at: www.myutr.com
